Internal Revenue Weekly Bulletin Cumulation

The authoritative instrument for announcing
official rulings and procedures of the IRS!

Now published by Hein!

The Office of Internal Revenue of the U.S. Treasury Dept. ceased publication of its *Internal Revenue Cumulative Bulletin* after the 2008 volumes. William S. Hein & Co., Inc., is pleased to announce that our new publication, the *Internal Revenue Weekly Bulletin Cumulation*, will pick up where the GPO title left off.

The weekly bulletins have been compiled into biannual volumes. The Internal Revenue Weekly Bulletin Cumulation contains the complete collection of the weekly Bulletins plus a numerical finding list, a finding list of current actions of previously published items and an index, and so remains a vital source for authoritative IRS information.
