

History Will Prove Us Right: Inside the Warren Commission Report on the Assassination of John F. Kennedy

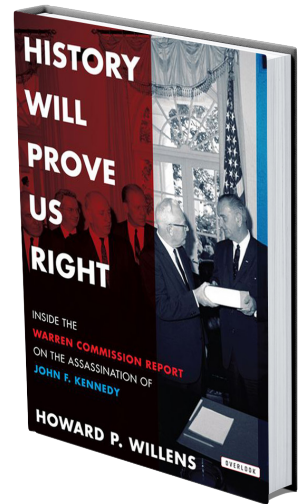

Howard P. Willens

Discover a Unique Perspective on the Warren Commission's Work

History Will Prove Us Right offers a comprehensive exploration of the Warren Commission's investigation into the assassination of President John F. Kennedy. Written by Howard P. Willens, a member of the Commission's supervisory staff, the book presents an insider's perspective on the creation, work, and conclusions of the Commission, shedding light on the tumultuous period following Kennedy's assassination.

The book delves into the Commission's mission to uncover the truth behind the assassination and provide a definitive report on the events. Willens draws from his personal journals and notes to offer a meticulous day-by-day account of the Commission's activities, exposing the behind-the-scenes challenges, bickering, missteps, and the individuals entrusted with the pursuit of justice. While the book asserts Oswald acted alone, it highlights various intriguing elements of the investigation.

Readers will gain insight into the nation's confusion and the efforts of those involved in the pursuit of justice during this trying period. It also provides a candid look at the personalities and conflicts within the Commission. Notably, the book explores J. Edgar Hoover's obfuscations, the evolution of the single-bullet theory, Oswald's prior attempts on a politician's life, and his work as an FBI informant, among other aspects.
