# Recommended Publications for Legal Research

## 2017 Volume
## Compiled by: Patricia Roncevich

- Save hours of collection development time with this easy-to-use and well-established tool
- All titles classified by subject and ranked to help determine the most essential resources for your library
- Quickly review new titles in nearly 50 established or developing subject areas
- New compiler is a librarianship expert with years of experience!

## ABOUT THE COMPILER

Patricia Roncevich has been the Acquisitions/Serials Librarian at the University of Pittsburgh School of Law since 2003. She leads the Collection Development Team and is responsible for collection maintenance. Prior to Pitt she was the Serials Librarian, a cataloger and Head Librarian on the Semester at Sea program. Pat has published and presented on issues dealing with ownership of electronic data. She is a member of the American Association of Law Libraries, the Western Pennsylvania Law Libraries Association, and NASIG. She has served on the AALL Technical Services Special Interest Section Executive Board as well as on the WPLLA board.
