# TREATIES IN FORCE

Office of the Legal Adviser United States Department of State

**'A' Rated - AALS Law Books Recommended for Libraries**

List 46, International Law, Page 46

*Treaties in Force, TIF*, was previously published annually by the Department of State, which now makes it available only electronically. Hein's publication of TIF provides a brief summary of **ALL** treaties and other international agreements, both bilateral and multilateral, which are considered to be in-force for the United States as of January of the respective year. Bilateral treaties are arranged by country and grouped into subjects under each country, while multilateral treaties are arranged by subject.

**Hein now has complete, acid-free reprint sets available — order today!!**
