

***Find that Hard-to-Locate Law School !!***

***Now Available for Immediate Delivery from William S. Hein & Co., Inc. . . .***

This important directory is a valuable reference tool for the entire legal community! **Key information is provided for more than 1500 law schools in more than 150 countries!** All of the information included has been provided directly by each school or institution. Researchers can readily find the following information:

- School address
- Phone and fax numbers
- Degrees offered
- Dean
- Librarian
- Email/website addresses

While the directory is organized by country, a school name index is also provided to help the user easily locate that hard-to-find school or institution.

This updated third edition has added more than **500 new entries** to the number found in the second edition which was published in 1998. The number of entries for India, for example, increased from 218 to more than 500. Similarly, Brazil's entries increased from 46 to nearly 190 as a result of online research and personal contacts. Also included, whenever available, is updated web and email information, the primary language spoken at the school, names of key faculty and staff, information on deans and more! (Please see reverse side for a sample entry)
