## The Richest Collection of Compiled Federal Legislative Histories Available

HeinOnline's U.S. Federal Legislative History Library contains more than 2,400 titles published by the Government Printing Office and private publishers. Included in this library are the prestigious legislative history collections of Arnold & Porter and Covington & Burling. Research legislative intent behind major public laws and follow the progression of a bill from its introduction to its passage. Documents typically include bill versions, House and Senate reports, Congressional hearings, the full text of the public law, and other related documents.

All titles are indexed to the document level and are fully searchable. In addition to legislative history content, this library includes the database version of the award-winning Sources of Compiled Legislative Histories. Utilize this database to determine if a legislative history has been compiled on a public law and also to locate related documents, such as books or scholarly articles. All such material available in HeinOnline is linked and accessible from this database. From the collection homepage, users can also browse a legislative reference checklist or access external resources on compiling federal legislative histories and other various legislative research guides.

**Thank you to Arnold & Porter and Covington & Burling for contributing their prestigious legislative history collections to this database!**
