# APPELLATE PROCEDURE IN CIVIL CASES

By Roscoe Pound

**“[A] Magnificent Contribution to the Literature of Our Law.”**

– 55 *Harv. L. Rev.* 1236 (1941-1942)

“It is, indeed, a joy, in the vast tide of law books spawned on the long-suffering American lawyers, to find such a volume as the one under review. In it the author displays a rich and ripe scholarship, a positive genius for philosophical grasp, a keen ability of envisaging what was, in its essential relation to what is and what is to be, and last (but very far from least) a power of acute analysis based on sweeping but incisive generalizations. If there be an American lawyer who can say with even a gleam of honesty: ‘I read this book and learned little or nothing I did not already know,’ that lawyer is forsooth an object of envy. Frankly, this reviewer confidently believes ‘There ain’t no such animal. No book in this hitherto badly charted field could seek a much finer *raison d’-etre*.’”

– *Armistead M. Dobie*, 55 *Harv. L. Rev.* 1236 (1941-1942).

1 volume.....\$85.00

Item #60501 ISBN: 978-1-57588-921-4

Pages: xi, 431
