

A Widely Admired Work Regarding the International Law of Ancient Civilizations!!

The International Law and Custom of Ancient Greece and Rome

By Coleman Phillipson

**“A” Rated—A.A.L.S. Law Books Recommended for Libraries,
List #46 (International Law), Page 43**

Coleman Phillipson’s early 20th century work constitutes a substantial and important contribution to the history of law and of international relations. *The International Law and Custom of Ancient Greece and Rome* provides a systematic and comprehensive account of the international law, public and private, of these two legendary civilizations. The author has covered a wide field of historical and legal literature comprising most of the ancient writers and the works of modern investigators, bringing out the juridical side of the subject.

Phillipson reviews the legends and traditions of these cultures in an effort to reinforce the conclusions derived from more historical and reliable data and, in his own words, “to indicate the existence of an inveterate juridical consciousness, whose manifestations are perceived in subsequent regularized systems and actual interstatal practice.”

In addition, *The International Law and Custom of Ancient Greece and Rome* is concise, discussing the essential principles while leaving out superfluous details. Aside from its usefulness for students interested in comparative politics and the evolution of public and
