#33

FDA, MERCK, AND VIOXX: PUTTING PATIENT SAFETY FIRST?

Hearing Before the Committee on Finance, United
States Senate, One Hundred Eighth Congress, Second
Session, November 18, 2004

This Senate hearing considers allegations of mismanagement by both the Food and Drug Administration and Merck Pharmaceutical Company pertaining to Vioxx, a controversial painkiller that experienced great success before its ultimate removal from the worldwide market. Vioxx is now considered one of the worst drug disasters in history, calling to question Merck's excellent reputation in the fields of research and development.

Electronic Document Reprint

Many of the most important official documents published by the U.S. federal government in recent years have only been available in electronic format. At the recommendation of key law and government documents librarians, Hein is reprinting many of these documents, making them available in hardcopy format to ensure their existence for future generations of legal researchers!

Topics Covered in the Reprint Series Include:

Federal Tax Reform • Homeland Security and the Law of War • Enron and Corporate Fraud • Events Related to the September 11 Terrorist Attacks • The Abu Ghraib Detainee Abuse Scandal • The Federal Death Penalty System
