New HeinOnline Database: Labor and Employment: The American Worker **A comprehensive collection available for an affordable, one-time payment.**

February 2023. HeinOnline, a product of William S. Hein & Co., Inc., is pleased to announce the release of its newest database, [*Labor and Employment: The American Worker*](#), where users can explore the plight and successes of America's working class with a highly editorialized collection of more than 10,000 titles that illuminate the history of labor conditions and employment law in the United States.

This database will be offered to all institutions and organizations for a low, one-time payment. For more information, visit <https://home.heinonline.org/content/labor-and-employment-the-american-worker/>.

About the Database

Research the multifaceted history and current state of America's workforce with **HeinOnline's Labor and Employment: The American Worker** database, featuring a wealth of resources to delve into. Discover legislative histories, briefs on pivotal Supreme Court cases, and firsthand accounts of significant labor riots, alongside current reports on working conditions, and much more.

Gain fresh insights with our comprehensive chart of **landmark labor and employment court cases**, featuring links to full text, synopses, and explanations of each case's impact on both labor jurisprudence and history. Ranging from state court cases that reverberated throughout the country to U.S. Supreme Court decisions, this database covers cases ranging from 1842 to 2018.

The database boasts **over 10,000 subject-coded titles** and hundreds of **expertly crafted scholarly articles** covering topics such as labor contracts, collective bargaining, and employment protections. These articles date back to 1904 and are updated with new additions monthly.

For those seeking to expand their research, our team of editors has meticulously selected over 200 highly recommended titles, each of which is linked to its corresponding entry in WorldCat, enabling users to locate the book in a nearby library.

About HeinOnline

HeinOnline is a premier online research database that provides comprehensive coverage from inception of more than 3,100 multidisciplinary periodicals, essential government documents, international treaties and trials, case law, and much more. Composed of image-based PDFs and available at an affordable price, the wealth of material allows academic institutions, government agencies, law firms, court systems, corporations, and other organizations access to authoritative, true-to-print digital material without the hassle or cost of using multiple research databases. Furthermore, subscriptions to HeinOnline consistently increase in value without added cost as HeinOnline adds daily, weekly, and monthly content while continuously incorporating new artificial intelligence tools for easier research. More information about HeinOnline is available here: home.heinonline.org.
